

Sunshine Summer Camp 2026

Parent Night Information

The perfect programs to meet your Summer Camp needs

Celebrating 34 years of SUNsational camp programs

Summer Camp Parent Night Overview

We invite all families to join us for Summer Camp Parent Night, where we will review important information to help your child have a safe, fun, and successful summer. During this meeting, we will discuss the Parent Handbook, including camp policies and procedures, daily schedules, drop-off and pick-up procedures, and safety guidelines. We will also review camp activities, special events, field trips, and what campers should bring each day. Additionally, families will learn about staff supervision, communication methods, behavior expectations, and how to reach camp leadership throughout the summer. Parent Night is a great opportunity to ask questions and get excited for a SUNsational summer ahead!

All Parent Nights will be hosted via ZOOM. Zoom Links will be posted on our website prior to the dates below.

Camp Sunshine Parent Night

Operating unparalleled Camp Programs since 1992!

Why Choose Camp Sunshine?

Highest rated RFP Contracted Provider amongst 26 providers with the Broward County School Board in 2023-2024!

Fully licensed and insured in Broward County. Sunshine After School Child Care, Inc. is proud to be one of the largest After School Child Care Programs and Summer Camps in Broward County.

Our professional site staff are Level II National Background screened and receive extensive professional training in: Pediatric CPR & First Aid, Universal Precautions, Child Abuse & Neglect, Safety and Security, 45 hours of Child Development course work, Active Supervision, Behavior Management, Anti-Bullying, and continuous training throughout the year.

Safety is our FIRST priority:

We have sign in and out procedures that prevent unauthorized people from picking up campers and ensuring proper attendance at the start of each day.

We have attendance and count procedures in order to ensure daily accountability of the campers in our care.

All staff have been through background screenings and extensive child care training.

All staff are CPR / First Aid trained.

We practice monthly fire, lockdown, evacuation and tornado drills.

We apply sunscreen multiple times a day!

We have the Most FUN!!
